

Course for parents and carers of children with speech and language difficulties

Details

Description

This course covers:

- How to encourage children to talk more. Please note that this course is not aimed at parents of children who aren't talking at all yet.
- Helping children to learn new words
- Helping children to make sentences
- Helping children with unclear speech

The sessions will include lots of discussion and practical activities. You will get a book to go with the course so you can try out the ideas at home.
