

COVID 19 - Due to the current requirements for social isolation events have been cancelled or postponed. Where organisations have introduced an alternative, virtual meetings details will be added to the events calendar with joining instructions or contact information.

London Transport Museum - SEN Exclusive

14

Dec

Starts: 8.30

London Transport Museum, Covent Garden. [View map](#)

For families with SEN including ASD, the Transport Museum is open out of hours for families who have children with SEN who feel they would benefit from visiting during a quieter, specialised opening. Explore the All Aboard family spaces in peace. Get hands-on with genuine parts of transport history or make use of the Sensory Bags to support exploring the collection. Advanced booking is highly recommended as places are limited.
