

# Music School Open Day

## Details

### Description

Free taster lessons and workshops for all ages and abilities - come along and find out more.

We aim at reaching as many children and young talents as possible as we strongly believe that learning to play an instrument or sing from an early age is extremely beneficial to a child's development. From discipline to team work, the skills children can acquire from an early age are extremely useful skills for life. It also boosts their creative expression which is what we focus on. At LSM we provide:

- Piano, guitar, bass, vocal and drum lessons tailored to our students needs
- Individual and group lessons for all ages and levels with highly experienced and qualified tutors, all DBS checked.
- Lessons specially designed for kids with special needs
- Lessons and workshops for primary and secondary schools
- Masterclasses with world renowned-musicians
- Two yearly concerts where students get to perform
