

London Careers Festival 2021

Details

Description

London Careers Festival connects primary, secondary and post 16 pupils with the world of work through a range of webinars, activities and resources. Our aim is to not only support young people to be introduced to the diverse array of opportunities offered across Greater London and beyond, but to fuel their imaginations, develop their skills and inspire their futures. The festival also helps schools to meet their Gatsby benchmarks. In this year's festival, you can find skills and careers events with Natwest, PwC, Bloomberg, Evening Standard, Role Models and many others exploring careers in Tech, STEM, Art, Media, Business, Law, etc. Last year we had over 2,800 bookings for these events and this year we want to reach more young people!
