

SYNC - Theatre Workshop

Details

Description

Explore creative career options from those who know! Join the SYNC programme this Easter and work with young creatives aged 19-25 who are making moves in their chosen industry.

Want to learn how to create your own theatre piece? Join theatre-maker Anastasia who'll take you through the basics of theatre design.

You will then be split into smaller groups to make an online vision board to capture the visual design of your show, as well as a Spotify playlist to capture the sound design.

Each group will then have the chance to pitch their exciting new show idea to Spotlight Theatre programmer Ellie for the chance to make your theatre production a reality!
