Additional Information

Additional Information

I am an Ofsted registered childminder who cares for a range of children starting from birth to 9 years old. I ensure that I help build on their learning skills as well as making them feel like they are at home. I ensure that everything is done so that the child has the opportunity to meet their full potential and/or their families needs are met.

Every month or so families come in to sit down with me to discuss their child's improvements and what can be done in the future to help their child.
