

National Deaf Children's Society

Description

Service Description

The National Deaf Children's Society is the UK's leading childhood deafness Charity. We're here for every deaf child who needs us, no matter what their level or type of deafness or how they communicate. We use the term 'deaf' to refer to all types of hearing loss, from mild to profound. This includes deafness in one ear or temporary hearing loss such as glue ear.

We provide free, independent support and information to parents, carers, deaf young people, extended family members and professionals.

We provide opportunities to safely connect with other families and professionals through events, online forums and local groups.

We also campaign for change on a local and national level, to create a world without barriers for all deaf children.

Free advice and guidance

You can contact our Helpline, Monday to Thursday, 9am to 5pm and Friday 9am to 12:30pm. Our friendly advisers can answer your questions and give free independent guidance on a range of topics relating to childhood deafness. They can also refer you to the other free support services we provide.

You can contact us on the phone at 0808 800 8880

You can text us at 0786 002 2888 (SMS)

Information

Our website has all the information families of deaf children and young people need to make informed choices, find deaf-friendly services, learn from other families and access support. The Buzz is our website for deaf children and young people aged 8 to 18. It's packed with information, support and real stories from other deaf young people, and all content is available in English and BSL.

Family and Youth Events

We offer a wide range of family events, both online and in-person. Our events are a great way to connect with other parents and families, grow your knowledge and learn from experts.

We also work with deaf young people through our interactive workshops, digital events and webinars, supporting them to develop their knowledge, skills and confidence.

Connecting families

Local deaf children's societies are support groups run by parents and carers. They're located all over the UK and offer support and advice as well as a range of activities. Find your local group at <https://ndcs.org.uk/findlocalgroup>

We also have an online forum - Your Community - where you can connect with other parents and carers, get tips, ask questions and share experiences.

Try out the latest technology

Our Technology Test Drive loan service gives families and deaf children and young people the chance to try out products, such as vibrating alarm clocks and radio aids.
