

St Saviours Nursery School

Description

Service Description

We are a vibrant, oneform nursery and primary school that welcomes families, valuing every child for who they are and encouraging them to be all that they can be. We are lucky to have an abundance of outdoor playing space, and gardens with over 120 trees including our own forest school. Our deep roots delve into over 150 years of education in Poplar whilst our green shoots look progressively to the future for all our children.
