

Columbia Market Nursery Breakfast Club

Description

Service Description

Breakfast clubs provide a safe place to play before school for children from 3 years. Most clubs are based in a school and those that are not, take the children to school.

Additional Information

Additional Information

We are a state maintained nursery school providing additional hours. There are 4 qualified early years' teachers and 11 qualified early years support staff. We deliver a well-balanced curriculum based on the children's interest. We believe that the best learning for young children is through play which the children can do in the extensive garden and 3 large rooms.

As a school we welcome all children with additional needs. The school has a senco and employs an educational psychologist. Some staff are trained in signing, speech and language development. We work with other professionals to support any child and will put in place appropriate support for any child. The school has recently built its own sensory room.

We have a stay and play for parents/carers/families on Thursday mornings 9.30am - 11am
