

St Paul With St Luke Primary School

Description

Service Description

Every child is entitled to a good education and your child deserves the best from this school and we seek to provide this in many ways, the most important of which are a well planned and well taught curriculum, in an environment where the safety and wellbeing of our pupils are paramount. We cannot do this alone. We need the school community to work together to produce excellent results. This includes parents supporting their children at home by encouraging learning, good behaviour and high expectations. Working together, we can promote your child's life chances and enable them to reach their full potential.

Additional Information

Additional Information

The St Paul with St Luke and St Saviour's Federation vision is of a collaborative learning community, rooted in the principles of the Church of England, striving for every child to flourish as a child of god. We want every child to have the best educational experience and outcomes so that they are confident learners equipped to be responsible, compassionate citizens, leading happy, healthy and productive lives. Jesus said "I have come that you may have life in all its fullness" (John 10:10). He calls us to a full life in mind, body heart and spirit. We believe that purpose of education is to nurture and enable every child to flourish and shine as a unique child of god. The principles of the Church of England are that we welcome those of a faith and those of none. All are seen, heard and belong in our nurturing school.
