Additional Information

Additional Information

I am a registered childminder. I live in a ground floor maisonette in the E2 area. I am situated locally to Bethnal Green and Cambridge Heath Road Station. There is a local Childhood Museum situated within walking distance from me as well as a local animal farm and a leisure centre (swimming pool). I will be taking the children on regular visits to these venues upon parents/carers consent. I have over 20 years experience of looking after children from birth till they reach secondary school. I also have references available upon request.

I have had previous experience of a child that was aged 15 years old with a number of additional needs (feeding, going to the toilet etc). I am more than willing to work closely with parents to meet the needs of their child.

£500 per week for full time, 10 hour day, five days per week

I also talk with parents on a daily basis and have regular meetings every month to discuss their child's development.

I do not have any specific specialist training when it comes to caring for children with a disability or have special educational needs but I am more than willing to work with parents upon this.
