

# Ambrose-King Sexual Health Centre

## Description

### Service Description

We provide free and confidential Sexual Health services at our centres in the City and across East London.

Our Sexual Health clinics are:

- The Ambrose King Centre at The Royal London Hospital
- Barts Sexual Health Centre at St Bartholomew's Hospital
- TH-CASH at Mile End Hospital
- The Greenway Centre at Newham University Hospital
- DOSH at Whipps Cross University Hospital
- Boots, Liverpool Street Station
- Boots, Walthamstow

Our sexual health centres are professional, friendly and discreet. You'll be dealing with professionals, who won't be judging your lifestyle or the choices you make.

We offer free contraception as well as testing and treatment for sexually transmitted infections. You don't need to make an appointment and any test results are given to you as quickly as possible – sometimes on the same day.

---

## Additional Information

### Additional Information

Our clinics:

We do not book general sexual health check-ups over the phone but please feel free to walk in to any one of our services or use the online booking links.

Our doors open for registration 30 minutes before the opening times.

If your query is not urgent we advise that you email the reception staff and they will get back to you as soon as possible, the clinic phone lines can get very busy and we know how frustrating it can be to not get an answer.

Occasionally, due to exceptionally high levels of demand, we may have to close the clinic earlier before the closing times. But all patients will be assessed in terms of clinical need by our triage nurse.

We also have a clinic on a Monday at 16.15 - 19.15: Mildmay, 19 Tabernacle Gardens, London E2 7DZ

Reserve a slot:

Walk in or reserve a slot online by using our online booking service. Depending on your needs please allow two hours for your clinic visit.

We have launched a new service for people under 25 only on Saturday's at the Ambrose King Centre.

The service is open 12-3pm and is a walk in and wait service with a limited number of places.
