## Description

### **Service Description**

There is a huge demand for our service, and we are only able to offer 12 immigration appointments, so we recommend arriving before 9am. Appointments are given out on a first come first served basis. We have very limited capacity for non-immigration advice issues, and the support we provide will mainly be signposting.

### Group Work

Alongside our advice services, we run a range of user-led groups, activities, classes and events that bring people together and develop new, positive identities. If you are interested in joining one of our groups please get in touch with Robin at [Robin.White@praxis.org.uk](mailto:Robin.White@praxis.org.uk).
