

# Culloden Primary School

## Description

### Service Description

The vision for the school is that we provide an outstanding education for all our pupils, which gives them the knowledge, skills and opportunities to have the life chances they deserve in adult life.

We believe that our pragmatic, integrated and inclusive approach to SEN provision and the Deaf Support Base is the best way to offer value to the communities we serve.

By encouraging adults and children with a wide range of needs to work and play together, we can promote tolerance and understanding.

Our values are: Integrity, Excellence and Community.'
