Getting ready for Nursery

Starting Nursery is a big step for your child. We want all children to be happy and enjoy coming. You can help your child to be ready to start nursery by

* Giving them some practice at being away from you, and being left in someone else's care.

* Encouraging your child to ask for an adult for help when they need it.

* Encouraging them to try putting their coats on and taking them off by themselves

* Helping your child to be confident to manage their toilet needs as independently as possible.

* Talking positively about the activities they will do and the new friends they will make.
