Description

Service Description

Our vision at Olga is to 'Be the best you can be'. We work together to make this vision a reality, helping to give our children the skills, knowledge and understanding they need to become successful learners and thoughtful citizens. We are a welcoming, friendly school where speaking and listening is at the heart of a varied and exciting curriculum and every child matters. Olga was rebuilt in 2017 and is now a 3 form entry school with excellent facilities, both inside and outside.
