

Cayley Primary School

Description

Service Description

Welcome to Cayley Primary School. I hope that you enjoy browsing our web site, and you experience for yourself the exciting learning environment and educational opportunities we offer.

We are a county primary school, maintained by the London Borough of Tower Hamlets. We have a double entry nursery unit and admit children from the age of three up to eleven.

We are a happy and healthy school and believe that everyone should be valued for his or her individuality, culture and heritage. and that they are encouraged to achieve their full potential in a stimulating, challenging and caring environment and we're only able to achieve this through a strong partnership between home and school. We will help our children to achieve their potential as a member of our school community where all children are respected and valued.

If you would like to visit our school, please make an appointment with the office and we will be pleased to show you around.
