## Additional Information

### Additional Information

St Paul's Church of England Primary School provides a caring, inclusive and supportive community where every child is a valued member. We have high expectations and are ambitious for our children to succeed. We believe that people learn in a variety of different ways and that teaching should reflect this. We provide a rich and varied learning environment that enables our children to succeed and flourish now, in their next stage of education and in the wider community.

### Breakfast Club

The school has a breakfast club for children of working parents. The children are admitted by special arrangement with the Headteacher. The club runs from 8 a.m. in the school hall.

### After School Clubs

In support of the school's mission statement, the school runs a number of after school clubs. The clubs are run by teachers, support staff and coaches. We try to cover as broad a range of interests as possible. Children commit to a club for a whole term before they may change.
