

Mowlem Primary School

Description

Service Description

Welcome to Mowlem Primary School

Mowlem is a happy, safe and successful place of learning and we want to build a long and rewarding relationship with you. We believe we can only do our very best, when we all work together in genuine partnership with you and the wider community.

Our aim is to give your child every opportunity to achieve the highest possible standards in everything they do. We encourage a 'can do' attitude to everything.

We have a clear vision and deeply held set of values - our 'butterflies' which underpin all our work - Creativity, Inspiration, Achievement, Collaboration, Leadership.

We believe that children need to leave our school with the core skills and qualities that will equip them well for the next stage in their education as well as in life beyond school.

Our aim is that children at Mowlem Primary School will become confident, lifelong learners. We can only do this successfully if we work together and have a positive partnership between home and school.

Our motto is 'Achieve, Inspire and Flourish', we welcome you to our website that will tell you more about the school and look forward to meeting and working with you.

Additional Information

Additional Information

The children are admitted from three years and three months to eleven years of age. At Mowlem School we have a commitment to education as a partnership between home and school. We see parents and carers as partners in their children's education and value their contribution to school life.
