

Swanlea Sixth Form

Description

Service Description

Our rapidly expanding sixth form is made up of around 250 students and is an exciting environment full of fantastic opportunities and exceptional teaching. Students are encouraged to take advantage of growing up in the capital and we have extensive links with international businesses that provide access to unique extracurricular activities.

Alongside this, we have an excellent relationship with some of the top universities in the country, and the number of students going on to higher education is at an all-time high- with more than 90% of students going on to study at university. Our diverse approach to learning and extensive academic support network has allowed the sixth form to grow from strength to strength each year, and we are exceptionally proud of our young adults and all that they achieve.
