

# Mulberry School For Girls Sixth Form

## Description

### Service Description

We are in the heart of London's East End where there is an extraordinary history of female activism; Mulberry students stand on the shoulders of these women, forging a future with the highest aspirations. No-one can limit our students' self-belief and determination or question their integrity. If you want to make a stand, speak out, or challenge the status quo, you will be in good company here.

Supporting your journey to success

Mulberry School for Girls Sixth Form offers everyone a fresh start and no student is left behind. We provide academic mentoring, advanced academic literacy support and empowerment from our specialist women's education team (Mulberry School for Girls is the only school in the country to have this provision).

We have a school counsellor and teach a specific PSHE programme that explores mental health and well-being. There are extensive opportunities for sport and exercise including an on-site fitness suite and access to quality competition across the Mulberry Schools Trust.

We offer dedicated facilities for your learning including laptops, three specific study areas and a specialist post-16 library with subscriptions to university texts and journals. If you aspire to excellence, we will help you achieve it.
