Description

Service Description

Parenting programmes actively support parents and carers to build upon their existing parenting skills and build positive relationships with their children.

Strengthening Families Strengthening Communities (SFSC) is a 13 week parenting programme suitable for parents and carers of children 3-18 years (25 years for people with SEND)

SFSC supports parents to:

- Learn new skills for communicating effectively with their child/young person
- Discuss and practice positive discipline and setting boundaries
- Explore ways to reduce conflict and challenge unacceptable of children's / young people's behaviour at different stages
- Establish networks of support and build links within their community

This parenting programme is delivered within schools, children's centres, community venues and other settings in Tower Hamlets.

Additional Information

Additional Information

One 2 one parenting support is also available for families that have more complex needs or difficulties.

SFSC is also delivered with a specialist focus e.g. supporting parents of child with special educational needs or disabilities, and parents of children who are at risk of extremist activities.
