Description

Service Description

We are a Tower Hamlets based Alternative Provision Free School, graded 'Outstanding' in ALL areas by Ofsted; working to transform the lives of young people aged 14-19, unable to thrive within mainstream education.

We bring hope, by working to develop every young learner's skills, confidence and belief, enabling them to add long-term value to their lives, families and the wider community. We work to ensure our young people have stronger foundations for learning, easier transitions into adulthood, better job prospects, healthier relationships and improved mental and physical health.
