

# It's Your Life

## Description

### Service Description

It's Your Life is a Charity dedicated to improving the life chances of young people from disadvantaged backgrounds.

We deliver high quality education support programmes, alongside family guidance, to give young people the greatest possible chance to be successful with their lives. This includes:

- Personal mentoring and life coaching
- Curriculum support.
- Events and mentored experiences
- Family support
- Monitoring and evaluation
- Impact analysis

We also provide a full programme of community learning, providing education, skills and training for adult learners.

---

## Additional Information

### Additional Information

It's Your Life is a highly successful charity. We provide 3 core programmes; It's Your Future which enables children and young people to achieve their full potential through our unique, holistic approach. It's Your Life places parents as real partners in their children's education from as early as possible, giving them the necessary skills, confidence and knowledge to ensure their children are prepared for learning. It's Your Community supports adults in the community to gain and develop skills they need in both their professional and personal life.

We also offer a variety of adult learning classes, computer classes, drop in advice sessions, employment and training, parenting course, activities for families, mentoring and community classes.
