

Community Paediatric Continence Service

Description

Service Description

Barts Health is providing support to children and young people in Tower Hamlets with bed-wetting, constipation and long-term continence problems.

The Paediatric Continence Service will offer advice, assessment, treatment and management of bladder and bowel dysfunction to all children and young people from 0 – 19 years.

Additional Information

Additional Information

We are happy to give advice for under 4 years of age but initial paediatric continence assessment will be from age 4.

If you have any queries about the service, please telephone 020 8223 8362. Please note the service are happy to provide support and advice verbally but cannot take referrals over the phone.
