## Description

### Service Description

Fern Street Family Centre Supports Families with children aged 0-11 in the Bow/Devons Road area. Our vision is 'Life to the full for families in Bow'

We offer: early learning and stay-and-play activities for 0-5's, afterschool and holiday clubs for ages 5-11, parenting workshops and courses, wellbeing groups for parents, an English Speakers of Other Languages (ESOL) and independence programmes for parents, and a food pantry for families in crisis or on very low incomes.

We also offer a family support service where our family support workers work individually with families to help them deal with any challenges, build on their strengths and help them access other services and support.

You can find up-to-date details of our sessions and activities on our website [www.fernstreet.org.uk](http://www.fernstreet.org.uk).

If you would like to discuss if an activity is suitable for your child's needs, please feel free to call or email us.
