

Reset - Tower Hamlets Drug & Alcohol Service

Description

Service Description

An integrated service which provides structured drug and alcohol treatment to Tower Hamlets residents aged 18 or over.

Support offered includes advice and information for substance users (drug & alcohol) and concerned others; substitute medication for heroin addiction; community alcohol detoxification; key work and group work; nurse appointments for healthcare assessments; female only provision; testing for HIV, hepatitis B, C and immunisation; access to needle exchange and other services including assessment for accessing inpatient detoxification and residential rehabilitation services; counselling; advocacy; whole family interventions; support for clients experiencing domestic violence and onward referral to further support services.

Clients will have access to a wide range of additional support including support and advice on how to access education, training and employment (ETE), benefits, day programmes and aftercare.

The service also supports users with complex drug or alcohol related needs. These complex needs may be due to: Physical health, mental health, using a number of drugs including alcohol in a chaotic way and Pregnancy.

Reset is also supported by outreach and recovery support services
