

Bubble Club Planning Workshops

Description

Service Description

The Bubble Club is an inclusive and immersive club night for people with learning disabilities. There is live music, DJ's, dancing and artwork all created by people with learning disabilities. We do all this at the Bub Hub sessions at Booth House every Friday. The Bub Hub is a creative space for adults with learning disabilities to come and help run the night. We do arts'n'crafts, DJ skills, computer designs and lots of brainstorming! We also have a monthly Bubble Radio Show where members of the Bub Hub are able to have a go at some live broadcasting. The sessions are really fun and chance learn some great skills and try a whole bunch of new things.

If you would like to become a Bub Hub member we only ask a small termly membership fee of £20 to help keep the project going. For more details, please get in touch!
