Summer Camp = Monday 25th July to Friday 19th August 2022

Participants take part in a series of games, challenges and activities in up to 15 different sports throughout the week, including football, netball, basketball and rounders. We are also known to work with the university Widening Participation team to deliver a campus tour for the participants to go and learn a bit more about the university. Parents have requested us to change our hours to suit those who are still working during the school holiday periods. For this reason, we have added an extended day option from 9am-5pm.
