Additional Information

Provision at Calvary Poplar Preschool is designed to meet the individual needs of every child. Parents play an important part in their child’s education, hence engaging parents as partners is very important for us. Our focus is always on delivering the highest quality in our provision, service and parent relations.
Calvary Poplar Preschool looks forward to warmly welcoming children and parents to the setting.

Our aims are to:
• Provide high quality care and education for children ages 18 months -5 years.
• Work in partnership with parents to help children to learn and develop.
• Add to the life and well-being of the local community.
• Offer children and their parents a service that promotes equality and values diversity.

At Calvary Poplar Preschool we acknowledge the values and uniqueness of each child regardless of gender, age, religion or ethnicity. We believe every child is equal and valued. We teach the importance of love, respect and the need to work for peace and justice. We believe that true education must encourage the social and emotional, physical and spiritual development of each child.

To make sure that our provision meets the needs of each individual child, we take account of any special needs a child may have.
