Description

Service Description

We aim to:

Treat all our patients with kindness, compassion, consideration, confidentiality and respect

Listen carefully to what they have to tell us

Ask about their ideas, concerns and expectations

Be aware of their family and social networks and their vulnerability

Make sure they are safe in our premises and their homes

Provide an effective service of health education and illness prevention

Provide our patients with an effective, timely process of diagnosis and treatment

Monitor the effectiveness of our services to detect problems and improve standards

Our Vision

To provide accessible high quality patient empowered health care incorporating 21st century technology, whilst maintaining a personalised service and training the GPs of the future.

Clinical Commissioning Group

Albion Health Centre is part of Tower Hamlets Clinical Commissioning Group (CCG) and together our aim is to improve services and continues to provide a high standard of care to our patients.
