

Island Health

Description

Service Description

Island Health is a general medical (GP) practice on the Isle of Dogs, East London.

We have a large team of doctors, nurse practitioners, nurses, alternative practitioners and others.

In addition to our core general practice services we provide phlebotomy (blood tests), warfarin clinics, travel clinics and much more. We provide a number of online services for your convenience, including online appointment booking and repeat prescription requests.

The practice area covers the Isle of Dogs and the area up to the New Providence Wharf development.

Additional Information

Additional Information

Our phones are answered from 8am to 6:30pm. We have an automated telephone service which allows you to book, change or cancel a GP or blood test appointment 24 hours a day. Call 020 7363 1111.

We try very hard to be open at the times advertised but occasionally staff training and important clinical meetings mean that we may be closed for short periods. Please see notices displayed in Reception.
