

Tramshed Youth Hub Temporarily Closed - Go To Haileybury

Description

Service Description

The youth service provides support services to young people aged 11 to 19 (or up to 25 if they have Special Educational Needs and Disabilities (SEND) or are care leavers) who live, work or study in the borough.

All our programmes are free to take part in.

We have 18 youth hubs across the borough as well as provisions for young people with SEND and LGBTQ+ young people.

The borough also has a number of highly-equipped specialist provisions such as outdoor education, performing arts and sports.

We hope to achieve the following outcomes with all young people that use our service:

Young people will have an increased sense of agency in their lives and their communities

Young people feel more optimistic about their futures

Young people are better able to access holistic and supportive opportunities across the London Borough of Tower Hamlets

Young People increase their critical thinking skills
